

Hello FIT Family,

Great news! With the move to "Level Orange," and some recent updates from the health department, FIT by Hyland Hills can increase capacity 50 members per room or 25% whichever is fewer.

This means our main floor and weight room will be able to have 50 people starting today!

We will no longer be requiring members to have a chip for their designated room, instead we will be keeping a head count and an hourly check in count to ensure we are within the new tri-county guidelines.

Please remember to follow all guidelines outlined bellow to ensure we get to stay at this current capacity.

- Members must wear mask at all times.
- Members must practice social distancing of 6 feet.
- Members will stay in their designated room for the entirety of their workout.
- Members are only allowed to leave their designated room to use the locker rooms / restrooms and to exit the facility.
- Members will still need to sign up for classes online.
- Members must clean off all equipment used during their workout.
- Members must have temperatures tested at the front desk before entry.
- Members that have any symptoms will not be allowed to enter the facility, please stay home.

FIT by Hyland Hills wants to thank you all again for your continued support and we look forward to a healthy new year. For any questions or concerns please call 303-643-5699 or email [dwagner@fithylandhills.com](mailto:dwagner@fithylandhills.com)
